Tau Wire USA Corp

Fort Wayne, Indiana

Job description:

Tau Wire USA Corp is seeking a dependable Production Operator to operate wire drawing, wire coating (insulation/jacketing), and wire rolling equipment. The operator is responsible for producing high-quality wire products that meet company specifications while maintaining safety, efficiency, and productivity standards.

Responsibilities

- Set up, operate, and monitor wire drawing, coating, and rolling machines according to production schedules.
- Adjust machine settings including speed, tension, temperature, alignment, and pressure to meet product specifications.
- Load raw materials into machines and ensure proper material feeding.
- Monitor wire diameter, coating thickness, surface finish, and dimensional accuracy during production.
- Perform quality inspections using micrometers, calipers, gauges, and testing equipment.
- Record production output, downtime, scrap rates, and quality results accurately.
- Follow Tau Wire USA Corp and OSHA safety procedures and wear required PPE at all times.
- Maintain a clean, organized, and safe work environment.
- Support continuous improvement and meet daily production targets.

Requirements

- Flexibility.
- Mechanical aptitude and troubleshooting skills.
- Ability to lift up to 50 pounds and stand for extended periods.
- Strong attention to detail and teamwork skills.
- Good verbal and written communication skills.
- Experience in a manufacturing setting is preferred.
- Experience operating wire drawing, coating, rolling, or similar manufacturing equipment preferred.

Education

- High school diploma or equivalent preferred.

Job Type: Full-time

Benefits:

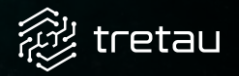

- 401(k)
- Dental insurance
- Flexible schedule
- Health insurance
- Life insurance
- On-the-job training
- Paid time off
- Vision insurance
